

VIIIth Scientific Conference of Young Astronomers „Astrophisica Nova”

May 6-7, 2016, Częstochowa, Poland

We invite you to participate
in the VIIIth Scientific Conference of
Young Astronomers "Astrophisica Nova". The
invitation is addressed especially to young scientists –
graduate students and PhD students, who are doing their
research in the field of astronomy, astrophysics and space science.
Suggested time for one oral presentation is 10 minutes. There is no
conference fee. Contributions will be published in *Częstochowski Kalendarz
Astronomiczny 2017*.

Application deadline is April 20, 2016

Conference will take place in the building of the
Planetarium in Physics Institute of Jan Długosz University
in Częstochowa (Al. Armii Krajowej 13/15).

Questions, as well as subjects of your lectures/posters (with short abstracts),
please send to:

Dr Bogdan Wszolek
E-mail: bogdan@ajd.czyst.pl

Conference Organizers:

Jan Długosz University in Częstochowa
Astronomia Nova Society

Organizing Committee:

Dr Bogdan Wszolek (IF AJD, Częstochowa)
Dr Agnieszka Kuźmich (OAUJ, Kraków)
Dr Agata Kołodziejczyk (ESTEC ESA)
